Reading:

## St Mary's Catholic Primary School Home Learning Grid ~ Year 2 Term 2

St. Mary's home learning policy can be found on our website. Separate home learning may be set for English and maths via the website.

Maths:

can make it into a rainbow.

These things should be done at home every day with supervision.

Spelling:

at home daily for ten minutes. It does not always have to be a school book. Your children have access to an amazing online programme 'Spelling shed', which is online and 'Number Facts' (these facts are on our have access to an amazing online programme 'Bug Club'. Reading is being monitored in school and the children will be rewarded for their efforts.  These activities should take no longer than 10 minutes each. Short bursts of repeated activities will help your children retain the information better than one long session of revision.  TERM You may decide how you will respond to the tasks set; some may be presented using a computer, others may tak form of a piece of art, 3D art, cookery, textile work, etc. The possibilities are endless.  Make a marvellous medicine, write about what your medicine will do to the person three glasses and fill them with ice who drinks it. Bottle your medicine up and	, and a second s		111.00103.
