

English

The children will be taking part in daily phonics, grammar, spelling and punctuation activities.

Through our key texts (Tadpole's Promise and Minipins) the children will have opportunities to write: leaflets, explanation texts, alternative narratives, character descriptions and reports.

Science

This term the children will be learning about living things and their habitats; animals including human lifecycles and classification.

Art and Design Technology

The children will be doing observational drawings, tonal drawings and painting in tones using watercolours.

All of our art will be inspired by the work of Georgia O'Keefe.

Year 2 Term 4 2019 Learning journey- Wriggle and Crawl

Religious Education

Topic Five 'Thanksgiving'

Believers who respond to God's word and become members of Christ's Body become intimately united with him.

Geography

The children will look at habitats as part of fieldwork studies. We will be drawing maps and comparing local areas to find out what kind of insects live in different areas.

Curriculum Enrichment:

This term the children will be taking part in art sessions with Mrs Thorpe.

These will continue to run on a Tuesday afternoon.

Maths

This term we will be focussing on the following areas of the mathematics curriculum: multiplication and division, time, fractions and measurement. We will incorporate lots of problem solving throughout these core skills.

Extra information

I am organising a trip to Ashdown forest on the 3rd of April. More details to follow.

A SATs meeting will be held on the 14th March at 2.45pm. ALL parents are invited.

Yellow Class are leading the whole school in our 'Reconciliation' mass on Friday 15th March. Parents and parishioners are welcome.

PE

This term in PE we will be focusing on bat and ball games and rugby.

PE kits need to be labelled and in school every day.
