

EnglishNon-Fiction Texts

This week, we will be looking at non-fiction texts.

Task

I want you to log into Epic. <https://www.getepic.com/>
Your class login code is: 3359

I want you to read the non-fiction book I have assigned to your account. Whilst you are reading the text, complete the Non-Fiction Text recording sheet on Seesaw.

You do not need to print the record sheet, you could record your answers on a separate piece of paper.

You will need to pick out key information from the text. What have you learnt from the text that you have read?

You will need to summarise the text. In one sentence, could you explain what the text is about?

You will need to think of questions you would like to find answers to now. What has the text made you think about?

Non-Fiction Text

Record of Information						
What is the text about?	...give us information about something?	...try to persuade us?	...report on an event?	...give us instructions?	...explain something to us?	...discuss the arguments for and against something?
Does the text... (tick one box)						
Write four pieces of information from the text.						
Write a sentence to summarise the text.						
Write two things that you would like to find out about this subject.						

Maths

Money

This week, we will focus on money!

Today, we will recap on the different coins we use in our monetary system.

Task

Ask a family member if you could look in their purse/ wallet.
You must ask before you look in it!

- Look at the different coins and notes you have collected.
- Order them from the smallest value coin to the largest value coin/ note.
- Work out which (if any) coins and notes you have not collected.
- Pick two coins, two notes or one coin and one note. Work out how many of the lower value coin or note would make up the larger value coin or note. *E.g. I have a 20p coin and a £5 note. 25 x 20p would make £5.* Do this as many times as you can with different coins and notes.

Religious Education

Good News

During this term, we will be learning about the Good News and how it was spread through the early disciples and the Gospels of Matthew, Mark, Luke and John.

Task One

I have uploaded a story to Seesaw called 'Cameron's Story', listen to the story and then think about these questions:

- How did Cameron react to something really bad happening?
- Why was Cameron upset about how his parents would feel?
- How was Cameron rescued and what effect did it have on him?
- What effect did it have on the people who knew Cameron?
- What do you think happened in school next day?
- What do you do when life is difficult?
- How does good news change the way you feel and how you react?

Task Two:

Currently, we are living through a strange time. There does not seem to be much good news on the news, people are sad that they cannot see friends and family and lots of people are working really hard to keep us all safe and healthy.

Today, I want us to share **good news !**

You can upload to Seesaw a video, picture, photograph, voice recording or recount of a good news story. Maybe you have a new pet, your baby sibling has learnt to walk, you got lots of Easter eggs, you have been decorating your house with rainbows, you have been participating in the Thursday 'clap for the front line workers, someone in your family has been volunteering to help others or you just passed a really hard level in your computer game...

P.E.

Workout

I have been told that there is a great new workout video that you can Access called Kidfit with Phil. This is on Facebook:

Please check with a parent/ carer that you are allowed to access Facebook.

Dance

Oti Mabuse is organising daily dance classes. You will find the videos on her You Tube channel: <https://www.youtube.com/channel/UC58aowNEXHHnflR5YTtP4g>

Please check with a parent/ carer that you are allowed to access You Tube.

Mindfulness

Everything might feel a bit strange and different right now. You might feel confused and upset by all of these changes - those feelings are totally normal. Make sure you are talking to your family about how you are feeling.

Try this: Connecting with nature can be a great way to inject some calm into your day.

- Choose a natural object from within your immediate environment and focus on watching it for a minute or two. This could be a flower or an insect, or even the clouds or the moon. You could go into your garden or sit by a window.
- Don't do anything except notice the thing you are looking at. Simply relax into watching for as long as your concentration allows.
- Look at this object as if you are seeing it for the first time.
- Visually explore every aspect of its formation, and allow yourself to be consumed by its presence.
- Allow yourself to connect with its energy and its purpose within the natural world.

Reading

Are you reading for at least 20 minutes a day?

Epic

Have you checked out Epic?

There are so many fantastic books on Epic. You can choose many books to be read to you - so you could find a quiet space in your home and have a book read to you. There are other books which you can read along with the computer. Also you can read many books all by yourself.
