Wednesday 1st April 2020

If it helps, here is my working out.

Last week you watched lesson one, week one on White Rose Maths. Today, please could you watch lesson two, week one and complete the activity that goes with it. If you have already watched it and completed the activity, that's great, just move on to the next lesson.

If it is easier, the activity sheets do not have to be printed out, you can just complete the work straight in to your maths book.

I would like you to spend some time on Timetables Rockstars. Why don't you take part in Battle of the Bands against Violet Class? Come on Indigo, we can do this! Remember to check MyMaths as well.
