A great big Thank you to the Friends of St Mary's. With all their fantastic hard work we have now taken delivery of a brand new Stage. The old stage was,….very, very old and very difficult to manage whereas, the new one is amazing, light easy to put up. Thank you so much to the Friends who work tirelessly to hold different events throughout the year to generate extra money for the school. Thank you to all parents who help and support these events. We look forward to seeing the stage in action very soon for the Christmas performances. Thank you.

Dear Helpers,
I want to thank you so much for giving your time to help raise money for our stage! Without your help our play would not be very good. That old stage was very loud and you stepped on it, you couldn't hear us. Thank you.
Holly Year 6

I am really excited about the new stage. It will be great to be the first ones to perform on it. Also the new stage is higher so we can be seen better.
Charles-Etienne Year 6

I would like to say a big thank you to everyone who raised money for our new stage. It is so fun to act on and much quieter than the old one! It will and has been a pleasure to act on it.
Milly Year 6
