Can you find your spellings hidden in this word search?

If you are unable to print this word search, don't worry! Practise spelling these words by putting them into sentences. Perhaps you could create a silly story trying to use all of the words. I would love to see them!

How did you get on?

You now have some work on calculating the area of compound shapes. Please see the attached PDF.

Check to see if you have any outstanding MyMaths to complete and spend some time on Timetables Rockstars.

Session 4

A riddle I bequeath thee
That beseeches you to travel
To an island on an ancient quest
Where secrets will unravel.

Yet first you need to use your wit
To find out where thou art.
In which of the four kingdoms
Hence your portal soon embark?

Commence thine trip in Southern realms
High o'er the Windy Seas,
Where borne of winter snow there lies
A fortress in the trees.

Hark the bells of ancient walls
With secrets yet untold.
Therein that stone doth hunt, my friend,
Go toil for gems and gold.

	Carefully, read through the riddle. Use a dictionary or search online to find the definition and meaning of words and phrases that you don't recognise. Keep a log of unfamiliar words, including what they mean. Solve the riddle to find the point on the map where the journey begins.
Session 5	I have attached a copy of this week's Gospel. Find a quiet place in your home, read it through and answer the questions.

Well done to all of you who sent me updates yesterday about the work that you had been doing. It was fantastic to hear about your day.

I would love to receive some photos of you completing your home learning so that I can add them to our Year 5 web page. Also, if you have not had an email invite to join [getepic.com](https://www.getepic.com), please do let me know.

Have a great day,

Mrs White
