Good morning Indigo Class.

Session 1	<p>P.E. with Joe Wicks - a 30 minute session at 9.00am. https://www.youtube.com/user/thebodycoach1 Make sure that you are dressed appropriately and eaten breakfast!</p>
Session 2	<p>Have a go at finding and reading a range of settings described in children's fantasy books, such as The Lion, the Witch and the Wardrobe by C.S. Lewis (attached). Find examples of figurative language - words, phrases and sentences that appeal to the senses and help to create a picture of the setting in your mind's eye. Cut out examples of words, phrases and sentences and explore ways of reordering, editing and listing them. Add extra words and phrases to create a new narrative or word collage. This is a good way for you to look at how language is similar across different texts, and encourages you to create something new from existing material. Figurative language is a technique used by writers to appeal to readers' senses, because it makes them look at the world in a different or more imaginative way. Figurative language includes metaphors, similes and personification.</p>
Session 3	<p>We are looking today at estimating the area of irregular shapes. I have attached the work. Please don't feel as if you have to print it all out but you can if you wish. You could also watch one of the maths lessons on I See Maths http://www.iseemaths.com/home-lessons/ Try to spend some time on Timetables Rockstars as well as checking your MyMaths.</p>
