

Good Morning Yellow Class!

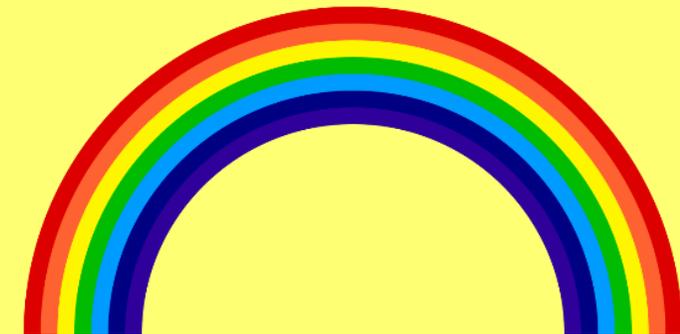

Monday 27th April 2020

27.04.20

The winner of the book vote is.....

I will video the first chapter and upload it to the website later today.

Lesson 1: PE

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

It is so important to start the day with a positive attitude and a good mood. Now this does not just happen because lets face it, we all hate getting out of our comfy warm beds!

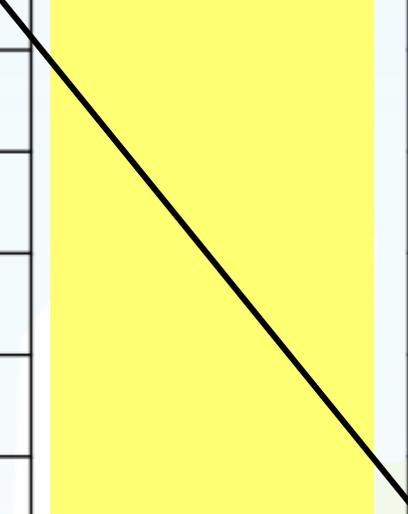

Exercise helps to create a good mood and positive attitude so that you will be ready for a day of learning.

If you don't like Joe Wicks then you can do another form of exercise and send me pictures of that. IT IS JUST SO IMPORTANT THAT WE KEEP MOVING.

Lesson 2: SPaG

med	pital
pe	cal
cap	al
hos	imal
an	dal
e	ical
fi	ital
pe	qual
lo	tal
mag	nal

Match up the beginning and the ends of the words. I have done the first one for you..

med ical

Then I would like you to read all of the words. What sound is at the end of the word?

How is it spelled?

Lesson 3: Maths

Object	My Estimate	Actual Measurement
Pencil		
Book		
Phone		
Shoe		
Photo frame		
Toothbrush		
Spoon		
Cup		
Hairbrush		

Collect up some house hold items (it doesn't have to be all of these ones).

First, have a guess/estimate at what length you think they are.

Then, use a ruler to measure them.

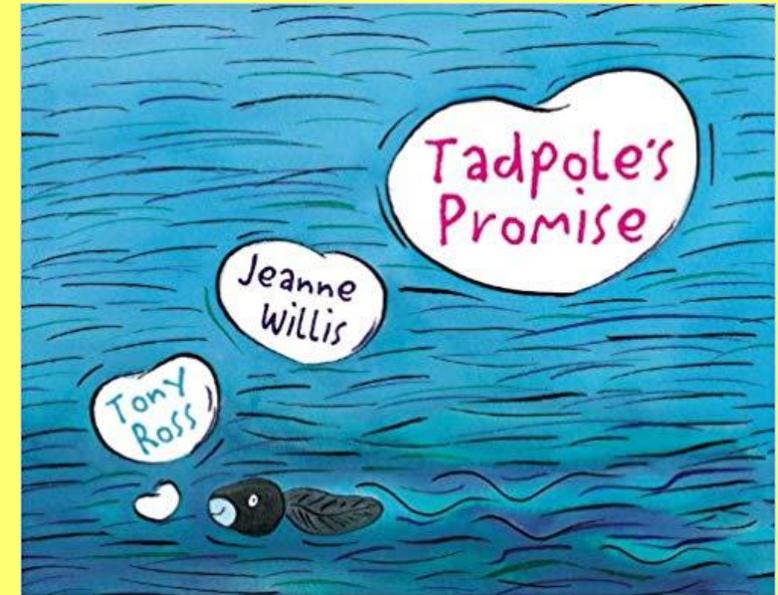

Next, put the items in order from smallest to largest.

Challenge- can you add up ALL of the items you have measured?

Lesson 4: English

Find out about the life cycle of a frog (I have set you a book on EPIC).

Then I would like you to create a life cycle diagram and write each stage of the frogs life.

Lesson 5: Mini-beasts

I would like you to think about the mini-beasts you found during your hunt and how they survive. Create some information (poster, table, annotate pictures) to answer these questions. How do I breathe? What do I eat and drink? What do I live in/under? How do I protect myself?

They live in shrubs and trees.

I can't wait to see all of your
amazing work...
