

# Celebration Assembly

## A Message from Mrs Hills:

*Good afternoon everyone. We come together at the end of another unusual week to unite in our thoughts and in our prayers – to reflect on all our blessings and to give thanks for everything we have to celebrate.*

*In conversations with different members of our community this week, it is apparent there is a strong resolve to find a light in this time of darkness, and to consider carefully all that we have to be thankful for. As the world outside our homes struggles, and we too cope with challenges in our own lives, it is quite clear that we are gaining a strength from our families and friends that will carry us through the next few months.*

*I am immensely proud of our whole community this week for the amazing effort everyone has continued to put into building our 'School at Home' and into maintaining important channels of communication. Your efforts have been magnificent. Well done everyone! I hope you all enjoy a very well deserved break over the Easter Holiday period.*

**HAPPY EASTER ST MARY'S AT HOME!**

**Let us pray ...**

*Dear Lord,*

*Help us to be thankful for the love of our families and friends.*

*Help us to show our love through our actions and words.*

*Help us to look for your presence in the world around us.*

*Help us to see the beauty in the world you have given us.*

*Help us to remember you are with us now and always.*

*Amen*
