My Book Review

This book is a interesting book it has lots of facts in it so I advise you read it.

one of the facts is moths are brown so they can hide they also have leaf shaped bodies so they can hide easily.

The rain forest is wet and rains alot as the name suggests it is hot as well.

24.03.20 English Lesson 4  
There was a man called Timbo. He liked furniture, miniature chairs were his favourite! He had four of these chairs at home.

One day Timbo noticed there were five chairs. Every day more and more chairs keep appearing. "These chairs are becoming so noisy, also there's so many of them" said Timbo. He thought to himself where are all these noisy chairs coming from? Little did he know there was a machine in his cellar creating them!

Soon enough Timbo discovered the machine in the cellar. Then he grabbed a shovel and smashed the horrible machine. One by one the extra chairs disappeared and Timbo's house became normal again.

Lesson 4

Rohan 24/02/2020

One afternoon a young man named Sid went to his garden. The garden looked gloomy and boring. Sid wanted his garden to look pretty. Lots of ideas came ~~in~~ to his mind. He had a great idea.

Sid ~~bought~~ bought some woods and started to build something. There was a lot of banging noise in the garden. His neighbours wondered what he was up to. Sid continued to work.

Sid turned the woods into beautiful table and chairs. He planted some seeds and a scented garden. Sid's garden looked pretty now.
