

### English

We will be studying a variety of non-fiction materials about the body. We will be using these to inspire our own non-fiction writing.

We will be having a go at writing our own fantasy narratives following a piece of food through our bodies.

## Year 4 Term 5 2021 Burps, Bottoms and Bile

### Maths

This term we will be focussing on understanding decimals which will help with becoming more confident with money. The children will be using different calculations skills to answer money problems.

We will also continue to practise our times tables in preparation for our times tables test.

### Art and DT

After studying the mouth we will complete some scientific sketches of our teeth.

We will be looking at recipes to make them healthier then, having a go at cooking some of them.

### Science

We will be exploring the human body. The children will be looking at how our mouths and teeth work and investigating the digestive system.

### Spanish

The children will enjoy once again learning Spanish with Mrs Gorringer where they will be learning key vocabulary for general conversations.

### Computing

Computing skills will be taught by Mrs Morely focussing on coding.

They will also be reminded of Online Safety and the important precautions to take when gaming and using the internet.

### PE

This term, the children will be developing their skills in tennis. They will be learning the positions for playing, techniques in hitting the ball and strategies for movement around the court.

### RE /Personal, Social and Emotional Development

#### Topic 7 - New Life

Christians believe that the Spirit of God is active in each person and, in a special way, in the community of believers, which is the Church. It is the work of the Spirit to enable people to hear God's message and to live Jesus' way of service.

We will begin the term by using the Camerados and reflecting on how we can use the principles in our every day actions.

### Home learning

Topic based home learning will be set via the home learning grid.

It is vital that the children get into a routine of practising times tables, spellings and reading regularly.

In addition the children should be reading at least 3 times a week to an adult and completing an independent activity which will ensure their understanding.
