

Monday 23rd March 2020

Good morning Year 3 for our first day of Learning from Home.

Every morning, I will send you a few activities to complete.

Activity 1	Today, the first thing I want you to do is to go through your log-ins which have been sent home with your packs so that you can make sure you can access them all. If you can't please email me and I will try to sort it out for you. My email is v.searle@stmarysrc.e-sussex.sch.uk .
Activity 2	Those who have their spelling tests at home, please could you choose 10 of the words you didn't get right and practise them. Why not make a poster of them to help you remember them and see how many you can include in a sentence? If you don't have the spelling test at home let me know and I will send you the sheet.
Activity 3	I also want you think of some rules for Learning at Home. What do you think will be important in ensuring that you (and your brother or sisters) are able to work from home? Send me your ideas, or a picture and I can post them on the website.
Activity 4	Draw some lines (with a ruler!) and measure them as accurately as possible to the nearest mm. Can you find other things around the house to measure too? Add the lengths of two of the lines. Challenge yourself by adding more than two of the lines.
Activity 5	Find out about the Celts. Design some tattoos like they would have used to go into battle. http://www.primaryhomeworkhelp.co.uk/celts.htm https://www.youtube.com/watch?v=eC7ONgTJGKw

If you have any questions about anything please contact me on my email and I will try to get back to you as soon as possible.

Happy learning.

Ms Searle
